

# German Conversation

## Preston Stammtisch

German Conversation has a new Group Leader. This convivial group meets over lunch monthly, mid-day for an hour or two, usually on the third Thursday of each month.

Venue is **The Preston Pub**, 161 Preston Road, HA9 8NG, close by Preston Road tube (pub also has its own car park).

The more fluent linguists are good at guiding those of us who wish to improve our abilities (and the food's nice!).

The German name for this group, Stammtisch, invokes the idea of a regular get-together that's not to be missed.
